MASTER KEY: YOU ARE NOT ALONE

PART 1

The day has become dangerous. Darkness covered MagicDuel Realm. They said that someone stole the five gems that balanced all magic.

All was perfect... suddenly all changed.

Your job is to find the five gems before someone else do...

Remember you are not alone and your mistakes will have consequences.

You received tools. Use them on your favor. Many have the power of killing, yet few have the power of reviving.

Use the following key to find the first gem.

KEY: "We are Watching"

PART 2

Location: MDA STUDY ROOM

Open with Key: "We are Watching"

For every action there's a counterpart, a reaction.

It was a great scientist who told that, Isaac Newton.

What if I tell you that Magic holds the same principle? Would unlock the mystery?

Contact your host and tell him which principle fits this mystery.
